

# JOIN THE HOLISTIC SCIENCE TEACHING FELLOWSHIP

TO LEARN TO BRING CURIOSITY & CRITICAL INQUIRY  
BACK INTO THE CLASSROOM.

## A 250+ MEMBER GLOBAL COMMUNITY OF HOLISTIC SCIENCE TEACHERS

Now in its 6th year, we are excited to announce the return of the Holistic Science Teaching Fellowship, with expanded formats and options, a wider outreach and scale, and an even greater impact.

Join a growing movement of innovative educators with a revolutionary approach to science teaching.

60%

of the Teachers reported a boost in student curiosity and interest after adopting holistic pedagogy!

### What will you learn?

Go beyond the textbook to teach holistically, connecting science with history, philosophy, ethics, and humanities.

Create conditions for and nurture curiosity and critical inquiry in your Science classroom.

Make science more hands-on and relevant to everyday life and the broader human experience.

### FLEXIBLE LEARNING FORMATS

**New Learning Formats:** Choose from synchronous (live online) or asynchronous (self-paced online) options!

Join this certification at a **special introductory price**, which is your best chance to gain expertise at significantly reduced cost for this cohort.
